NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information with regard to the resolutions to be proposed at the Annual General Meeting relating to, among other matters:

- (a) the granting to the Directors of the General Issue Mandate, the Repurchase Mandate and Extension Mandate; and
- (b) re-election of retiring Directors;

* For identification purpose only

LETTER FROM THE CHAIRMAN

GENERAL ISSUE MANDATE

It is proposed at the Annual General Meeting that the General Issue Mandate be granted to the Directors to issue new Shares up to 20 per cent of the aggregate nominal amount of Shares in issue as at the date of passing the relevant resolution. There is however no present intention for any issuance of Shares pursuant to the General Issue Mandate to be granted.

As at the Latest Practicable Date, the issued share capital of the Company comprised 511,393,418 Shares. Assuming that there is no change in the issued share capital of the Company between the Latest Practicable Date and the passing of the resolution approving the General Issue Mandate, the maximum number of Shares which may be issued pursuant to the General Issue Mandate on the date of passing the resolution will be 102,278,683 Shares.

GENERAL MANDATE FOR REPURCHASE BY THE COMPANY OF ITS OWN SHARES

On 21 May 2008, a general mandate was given to the Directors to exercise all the powers of the Company to repurchase its own Shares granted in the last annual general meeting which will lapse at the conclusion of the forthcoming Annual General Meeting of the Company. An ordinary resolution will therefore be proposed at the Annual General Meeting to approve the grant of a general mandate to the Directors to repurchase on the Stock Exchange Shares of the Company up to a maximum of 10% of the issued Shares of the Company as at the date of passing the resolution.

As at the Latest Practicable Date, the issued share capital of the Company comprised 511,393,418 Shares. Assuming that there is no change in the issued share capital of the Company between the Latest Practicable Date and the passing of the resolution approving the Repurchase Mandate, the maximum number of Shares which may be issued pursuant to the Repurchase Mandate on the date of passing the resolution will be 51,139,341 Shares.

An explanatory statement to provide Shareholders with all the information reasonably necessary for them to make an informed decision in relation to this proposed resolution as required by the Listing Rules concerning the regulation of repurchases by companies of their own securities on the Stock Exchange is set out in Appendix I to this circular.

GENERAL EXTENSION MANDATE

It is recommended that a new Extension Mandate be granted to the Directors permitting them, after the grant of the Repurchase Mandate to add to the General Issue Mandate any Shares representing the aggregate nominal value of the Shares in the Company repurchased pursuant to the Repurchase Mandate.

The authority conferred on the Directors by the General Issue Mandate, the Repurchase Mandate and the Extension Mandate would continue in force until the conclusion of the next annual general meeting of the Company unless it is renewed at such meeting or until revoked or varied by ordinary resolution of the Shareholders in general meeting prior to the next annual general meeting.

LETTER FROM THE CHAIRMAN

The Directors consider that the granting of the General Issue Mandate, the Repurchase Mandate, the Extension Mandate and the re-election of retiring Directors are all in the best interests of the Company and Shareholders and accordingly recommend that you should vote in favour of the resolutions referred to above to be proposed at the Annual General Meeting.

Yours faithfully,
By Order of the Board
Luk King Tin
Chairman

This explanatory statement contains all the information required pursuant to rule 10.06(1)(b) and other relevant provisions of the Listing Rules.

THE SHARE REPURCHASE RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their fully-paid up shares on the Stock Exchange subject to certain restrictions. In this regard, the definition of "Shares" in the Listing Rules would, include shares of all classes and securities which carry a right to subscribe or purchase Shares of the Company.

EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 511,393,418 existing Shares of the Company in issue as at the Latest Practicable Date and on the basis that no new Shares of the Company are issued or repurchased prior to the date of the resolution approving the Repurchase Mandate could accordingly result in up to 51,139,341 Shares of the Company being repurchased by the Company during the course of the period from the date of resolution granting the Repurchase Mandate until the earlier of the conclusion of the first Annual General Meeting of the Company following the passing of the said resolution or the revocation or variation of the existing repurchase mandate by Shareholders of the Company in general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares of the Company in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

FUNDING OF REPURCHASES

Repurchases must be funded entirely from the Company's available cash flow or working capital facilities, which will be funds legally available for the purchase in accordance with the Bye-laws of the Company and the applicable laws of Hong Kong and Bermuda. Under Bermuda law, no Shares shall be repurchased except out of the capital paid up therein or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares. If a premium is payable, it shall be provided for out of fund of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account.

On the basis of the combined net tangible assets of the Group as at 31 December 2008, being the balance sheet date for the latest published audited accounts of the Company and taking into account the current working capital position of the Company, the Directors consider that no material adverse effect on the working capital and gearing position of the Company may result in the event that the Repurchase Mandate was to be exercised in full in the period before the Repurchase Mandate expires. The Directors however do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

None of the Directors, and to the best of their knowledge having made all reasonable enquiries, any associates of any Director, have any present intention in the event that the Repurchase Mandate is approved by Shareholders to sell any of the Shares of the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

If, as a result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert could as a result of increase of its or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.
